

# MUSKEGON INVENTORS NETWORK

A not-for-profit inventor/marketer group for West Michigan people with creative ideas, inventors and others who may find benefit or offer support services. Our purpose is to assist West Michigan inventors and marketers reach their personal goals. Our method to achieve this is through education and networking.

Speakers you may hear at our monthly meeting include:

- Inventors sharing patenting processes.
- Business people explaining how they got their products to market and assist others to do the same.
- Companies that offer services that will assist members reach their goals.
- Intellectual Property Attorneys pro bono help specifically with patents and trademarks.
